Weeks 14 & 15

Bits of Intelligence: Sea Creatures

Theme
Families/Thanksgiving

Language Arts

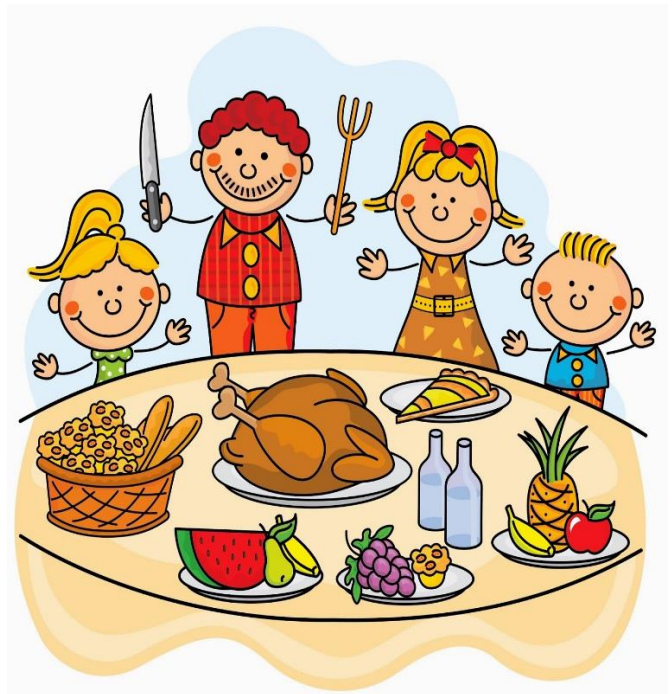

Ms. Sam and Ms. Cheryl can't wait to teach the children all about families, kindness and Thanksgiving. We will discuss many of the things that families do together. The children will learn new fingerplays for Thanksgiving such as "Mr. Turkey", "5 Little Turkeys" and "Finger Families". Our Pow-Wow parties are sure to be fun as the children trot around the room like turkeys and play Pin the Feather on the Turkey.

Concept

We begin the week with the introductions of numbers 3 & 4. We will practice counting objects such as blocks, people in our families, feathers on a turkey and cotton balls for pumpkin pie. The teachers have so many turkey themed activities planned. On our party days we will pull out a favorite activity. The children will use turkey basters and shakers to "season" our turkeys in a pan. We will also "cook" up some veggies for our meal. After we are done with all of that fun we will (pretend) to wash the dishes.

Craft and Writing

We have 3 and 4 papers on the agenda for this week. Cutting skills are sure to get lots of practice as we bring out Play-doh and scissors and have the children practice their cutting skills. We have a few crafty surprises up our sleeves for party days. One craft will have the children put whipped cream on pumpkin pie using shaving cream and pumpkin spice.

Motor

We are looking forward to lots of outdoor play before winter comes! Make sure your child is properly dressed for these chilly, fall days. We will play some Thanksgiving games such as a sweet potato roll and a turkey toss.

Reminder

No school Nov. 26th and 27th in observance of the Thanksgiving holiday.
