Language Arts:

The students will be reviewing all concepts introduced so far in Kindergarten. The students will be continuing through the alphabet working on all of our letters. Guided reading groups will be working together with sight words, stories, and word families. Spelling lists will begin in the next couple of weeks, be on the look out for those.

Math:

We will be wrapping up our addition unit and introducing simple subtraction over the next two weeks. The students will continue learning to tell time by the hour and half hour.

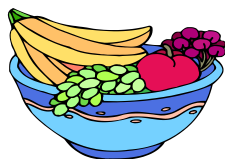

Science:

Over the next two weeks we will discuss the season change and the differences we are noticing. We will discuss penguins and other arctic animals as well.

Social Studies:

These next two weeks will be spent discussing healthy eating habits, including the different food groups and habits to keep our bodies healthy including brushing our teeth, exercising, and dressing appropriately for the weather so we don't get sick.

- Review: All that we have learned so far

NOTES TO PARENTS:

- PLEASE REMEMBER TO CHECK YOUR CHILD'S FOLDER AND BACKPACK DAILY. THIS IS VERY IMPORTANT.
- PLEASE REMEMBER TO SEND YOUR CHILD WITH GLOVES, HATS, AND BOOTS AS WE DO STILL GO OUTSIDE WEATHER PERMITTING.

Have a Healthy Week!

Mrs. Erika
