

Junior Journal

Theme: Arctic Animals/Winter Week 21: January 4th–8th, 2021

Language:

Welcome Winter! Snowflakes, snowmen, and sledding galore! Winter has so much fun in store. Our class will be learning about this season through picture files, songs, and flannel board stories. We will be introducing some new letters and shapes this week. We will also play a winter mitten review game.

Art:

Snowflakes are falling all over town! Let's get ready to create a special snowflake craft. As we are introduced to new letters and shapes, we will focus on these in our papers. We will also collage oval and rhombus.

Concept:

Hello Winter! As winter is here we will talk about the changes that happen in the winter, what animals do when it gets cold. The children will enjoy a fun snowflake matching game. They will also do some comparing and contrasting with some Winter items.

Motor:

The children will enjoy relay races with a broom and "snowball fight".
