

Pre K Press

March 8, 2021

THEME: Mammals

Our lessons on mammals will continue this week. We will discuss where they live and many other interesting facts. The shape *hexagon* will be our last shape introduced this year.

Mrs. Paula, , Mrs. Karen, Mrs. Cathy, and Mrs. Catherine

HAPPY BIRTHDAY

Dylan Misch 3/9
Sammy Holzer 3/11
Matthew Nowlan 3/12

Student of the Week

Juliana Santefort
Cole Sperti

Language Arts: Small mammals; rabbits, skunks, and squirrels will be our focus this week. The children are doing a great job reading. Story #10 will be introduced, adding the Reading words *read* and *play* to our Reading board. Thank you for reviewing the bold beginning words and stories at night with your child.

Concept: We will learn the difference between animals in captivity and animals in their natural habitat. Our work with the Golden Beads continues as we explore putting different number combinations together using ones, and tens place value units.

Craft and Writing: We are working on finishing patterns. The children will also work on shape tracing and painting. The color words orange and yellow will be introduced.

Motor: Lions, Tigers and Bears will visit this week as we continue to work on the tumbling mat. Throwing and catching skills are practiced with the use of nerf balls and bean bags.

Important Info

Registration for the 2021-22 school year Have you registered for the next school year? Classrooms are filling up! All current students need to re-register every year.

STEAM Into Summer

We are currently accepting registration for our summer camp. Send in your form today!
