## Language Arts:

Welcome spring! Over the next two weeks, our class will learn about the season of spring. We will explore Think Links and look at pictures as we learn about spring. Our featured flannel board stories are "Little Rain Cloud", "Five Little Shamrocks", and "Speckled Frogs". We will also read fun books about St. Patrick's day and springtime.

## Concept

Can you match the flower to the matching flower pot? Our class will work on matching activities throughout the week. We will practice our counting skills by counting rain drops.

## Motor:

Let's welcome spring with some fun motor activities as we move around the room. Can you hop like a frog and march like a little ant? We will have fun searching for gold coins as we celebrate St. Patrick's day.

## Craft and Writing:

Grab a paint brush as we use watercolors to paint springtime papers. We will also create a cute St. Patrick's day project.

## Introductions:

**Numbers:** 5 & 6

**Letter:** Dd

## Review:

**Shapes:** Circle, Square, Star, Triangle, Heart, Rectangle, Oval, and Rhombus
