Theme: Fairy Tales
Introduce: Dd
Week of 3/8

Language Arts: We will be enjoying the tales of *The Ugly Duckling*, *Snow White*, and *Cinderella*. Our new letter Dd will be introduced with words like dog and donut.

Concept: We'll be counting Snow White and her seven dwarfs using number cards. The children will also count fingers on a number hand and count the corresponding number of objects.

Art: The children will have a busy week in art class coloring, mosaicing, and painting our new letter Dd. We'll also be working on pattern papers pertaining to our fairy tale theme.

Motor: In motor we will continue with our body parts game. The children will also use the parachute and practice rolling the ball to each other. We'll play block bowling with our new letter Dd. Hopefully the weather will cooperate and we can go outside!
