**THEME:** Old Favorites

May 17 thru 28, 2021

This week we will be reviewing all that we have learned this school year. Final assessments will continue to take place. Report cards will be sent home at the end of the month.

Have a great week!!!

Miss Katrina, Mrs. Taghrid and Mrs. Kim

**Language Arts:** Memory development is enhanced as we play "What's Missing?" To reinforce our *Old Favorites* theme, the children will choose which stories we will enjoy this week. Our puppets and puppet stage will also be used to enhance our theme. Music will fill the air as we pretend to be a marching band.

**Concept:** The children have a lot of activities that they really enjoyed during this school year. This week, we will take time to re-explore some of the most popular. One activity is from Farm week. Our block activities will include using dominoes and Duplo blocks.

**Craft & Writing** We will redo some of the favorite papers we worked on earlier in the school year, and work with water color paints, bingo stampers, markers, and stickers to create beautiful art work. Shaving cream will add to one of our favorite activities.

**Motor:** Once again, we will practice walking along a zig-zag path. We will work on developing foot/eye coordination by walking up and down the stair-step with alternating feet. A color toss game will enhance eye/hand coordination, plus help us review our colors.

## Special Info

**Memorial Day**-Monday, May 31. Center closed.

Last Day of the 2020-21 school year is Friday, June 4.
