Tinley II
Juniors News
July 26th - 30th, 2021

Theme: Construction

Monday: Language

We will read some construction books, including *The Three Little Pigs* and discuss which materials are best when building a house. We'll also learn some names for the different construction trucks!

Tuesday: Art

Draw your own blueprint of something you'd like to build and then show your idea to your friends!

Wednesday: Engineering

Can you build a house that will withstand the Big Bad Blow Dryer? Students will be given a variety of materials and will build their house and see if the Big Bad Blow Dryer will knock it down!

Thursday: Math

Let's build some shapes with popsicle sticks!

Friday: Motor

Students will play some Ring Toss with construction cones!

Have a great week!

Miss. Karolina
