

# Pre-K Press

On the Road Again  
August 2<sup>nd</sup> - 6<sup>th</sup>

Mrs. Lori & Ms. Lilia

## Concept

Sorting between vehicles and tools will be a fun challenge. Graphing our favorite vehicles and discussing magnetic and non-magnetic screws and bolts. Completing construction puzzles will finish up the week!

## A Peek at Our Week

- Monday 8/2- Kenny the Clown & Snack Creation
- Tuesday 8/3- Water Day
- Wednesday 8/4- Water Day
- Thursday 8/5- Game Day
- Friday 8/6- Last day of summer camp!

## Language Arts

This week we will learn about many types of construction equipment and the types of machines used to build and fix things. Our featured book is "Goodnight, Goodnight Construction Site" and our flannel board story is "Five Little Nails".

## Art

Our class will be hard at work as we create some cool crafts. We will be creating our own bedroom blueprint and using other mediums to create works of art such as a construction worker and even our own name.

## Motor

Get ready to move about as we spin, dig, stomp, and tip just like constructions vehicles. We will also hammer some golf tees. Water fun and game day activities will be loads of fun as well.
