Language Arts:

Our class will read many great books about dinosaurs as well as learning "dinorific" dinosaurs songs. We will look closely at pictures of dinosaurs and will discuss three different types of dinosaurs.

Motor:

We are the Dinosaurs, marching, marching. Our dinosaurs will enjoy marching to this song, along different paths in the classroom. We will continue to work on hand eye coordination, target practice, and balance. Be mindful of the weather when dressing your child; there will still be plenty of outdoor play.

Concept

The class will work on sorting dinosaurs, number concept, and number recognition by counting out the correct number of 3-D dinosaurs to the corresponding numbers. Our new shapes: circle and square, numbers one and two will be added to our concept jobs.

Craft and Writing:

Our class will enjoy finger painting their favorite dinosaur during the week. We will also continue to practice using our tracing and cutting skills as we work on our papers. Circle and square will also be added to our packets to go home.

- **Introductions:**

Shapes: *Circle and Square*

Fable 1: The Boy Who Cried Wolf

Numbers : 1 and 2

Vocabulary Words:

Paleontologist: A person who digs up dinosaurs from a long time ago.

Herbivorous: Plant eating

Carnivorous: Meat eating

Omnivorous: Both meat and plant eating

Extinct: No longer living

- Bits of Intelligence: Dinosaurs

Notes to Parents:

- Show & Tell on Thursday 9/2 & Friday 9/3.
- School is Closed on Monday, September 6th in observance of Labor Day.
- Please remember to bring in pictures for our birthday board.
- For safety reasons Please send your child to school In gym shoes.
- We are looking for a part time teacher's aide. If you know anyone please have them call the school or stop by for an application.

Have a great two weeks!

Ms. Katrina
& Mrs. Denise
