## Language Arts:

This week we will be learning about each other. We will talk about what we like and dislike. Our first reading story will be introduced this week. Story #1 is "Taffy Apple". When your child can successfully read it on their own, they will be able to take it home. Practicing the story words at home will aid your child. We will also be discussing our 5 Senses!

## Motor:

Now that we have become familiar with the play-ground rules we will begin to explore more games. The children will shoot hoops, and run the baseball bases. Scoring goals by kicking a moving ball will also be introduced.

## Concept

We cannot wait to learn more about all of our students when we graph eye color, discuss favorite movies, and school

activities. Numbers 1 and 2 will be introduced and practiced through our number line and concept jobs.

## Craft and Writing:

This week we will be working on papers that reinforce numbers 1 and 2. Papers focusing on matching, patterns, and visual discrimination will be done.
