

# Bobbie Noonan's Child Care Fort Myers

08-26-2021

Dear Parent's,

We understand that many of you have deep convictions about mask requirements at our center; either for or against. Our premise is that if we can prevent one child, family member, or staff member from becoming ill it is in everyone's best interests; the last thing we want to do is quarantine a classroom or an area of our school. If you choose not to wear a mask please wait outside our front door and we will be happy to bring your child to you outside. Covid is a fluid and everchanging illness, hopefully things will return to some normalcy in the near future. For now, please respect our policies and our staff.

Sincerely,

Mrs. Diane
