

BOBBIE NOONAN CHILD CARE—JOLIET

WEEK # 7 & 8 SEPT. 27—OCT. 8,
2021

JUNIOR JOURNAL: FALL &
APPLES

The children are going to learn more about the season of FALL. We will go for a walk to discover signs of Fall. We hope to learn a lot during this beautiful time of the year.

INTRODUCING: Ee & Ff, Story #1 triangle, rectangle

Language:

The children will learn about Johnny Appleseed. We have body plays to learn such as: Little Apple Seed, Applesauce and 3 Little Apples. The children will enjoy the flannel board called 5 Little Apples. I'm a Nut and The Leaves on the Trees are two new songs we will sing! During the second week of our Fall discussion, we have flannel board stories about Autumn and 5 Red Leaves. We will also learn body plays, 'Squirrel, shake your bushy tail', 'Leaves are twirling', and 'Picking up leaves and putting them in the basket. Please take your children on a leaf hunt and bring different shaped and colored leaves to school to help create a leaf collage. The fable, The Hare and Tortoise will be

introduced.

Concept:

The students will compare, contrast, sort and count acorns, pinecones, apples and leaves. The water table will be used to bob for apples and wash them. We will try to figure out different objects that we place in the tactile bag by only feeling them. We will stack, count and build an apple tree. During Science we will figure out why apples turn brown, watch apple seeds dance and measure the circumference of an apple. Lastly, we will have sensory bin fun.

Craft and Writing:

The children are doing a great job on their assessment papers. We will finish them up this week. The letters Ee and Ff plus triangle and rectangle readiness papers will be done. Be on the look out for fall projects to come home.

We are CLOSED Columbus day. October 11.

SPECIAL NEWS

Johnny Appleseed day is on Monday. We will be making applesauce for snack!

We will be taking the children on a nature walk.

Music day will be on Thursday!
