Language Arts:

In these next week we will discuss our new season, "Fall," and all the changes it brings. The children will enjoy many different stories about fall and we will discuss what happens during fall. What are some things that you see happening to the trees, will be one question that will be asked. If the children would like to bring in any fall items to show the class please put them in a bag and label them with your child's name. We will also discuss Johnny Appleseed!

Motor:

Leaves are everywhere! In these next two weeks we are going to enjoy a leaf dance, musical leaves, and the parachute with leaves. We will be practicing throwing and catching a ball and have a relay race.
