Language:

This week our theme is families and feelings. We will be discussing how each family is a little different and what makes a family a family.

We will be introducing the colors yellow and green as well as the letters Ii and Jj.

We have so many fun finger plays and flannel board stories. "Some Families", "I look like this", "Happy/Sad feelings", "Families are best", and "If you are happy and you know it".

We will also be doing a comprehensive review of all the previous weeks. We will be reviewing and adding to our "A is for Amos" song to help learn what sound each letter makes.

Concept:

This week we will be adding yellow, green, Ii, and Jj to our shelves. We will be doing a special feelings tactile puzzles, a theme based tactile bag, and working on expressing our feelings with puppets. Every week we will walk over to our garden and see how our plants are growing. On Friday we will have free choice, tactile bag, and will be able to use our centers.
