Theme:
Colors & Shapes

Introductions:
Review

Language:

For the next two weeks we will be reviewing all of the colors and shapes that we have learned so far. We will enjoy reading several books such as; *Brown Bear Brown Bear* and *My First Shapes*. We will be singing songs and enjoy many flannel board stories.

Concept:

The children will be working on their sorting skills. They will sort different objects by colors and shapes. The children will also continue to work on shelf jobs as well as taking apart puzzles and putting them back together.

Craft & Writing:

We will be reviewing our shapes and colors by creating many fun art projects. The children will have fun paint, coloring and marble painting as well as making a shape collage.

Motor:

During our motor time, we will be having fun bowling! The children will get to roll the ball and see how many pins they can knock down.

Have A Great Week!
