

# Junior Journal

**Weeks 29 & 30 March 7th- 11th and 14th-18th, 2022**  
**Theme: Ocean Animals/St. Patrick's Day**

## Language Arts:

Get ready to dive deep as we explore many ocean creatures. We will discuss whales, fish, sharks, dolphins, and octopus. We will also discuss what these animals eat and learn several fun facts about them. We will look closely at under the sea picture files and read books about this topic. Our featured songs are "The Little Seahorse", "Have You Ever Seen an Octopus", and "Waves in the Sea".

## Motor:

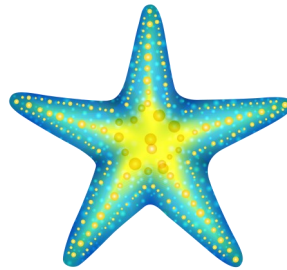

The children will be acting out the movements of many different ocean animals.

## Concept:

"All the fish are swimming in the water, bubble, bubble, **SPLASH!**" The children will learn the difference between an ocean and the beach and the variety of the animals that live in and around it. We will also introduce counting by 2's and playing a group activity called "what doesn't belong?"

## Craft and Writing:

Splish, splash! Our little artist's will enjoy finger painting and sponge painting many sea creatures. We will also focus on our new colors and our new letters Qq and Rr.
