

PRE-K NEWS

Language

This week we learned all about Reptiles. We also talked about what makes a reptile. We also talked about what reptiles we liked best. We learned the story number #11 "My Big Blue Boat". We also worked on our rhyming and compound words. We used our language basket and had library time. We have also been working on our end of the year program with Miss Chris.

Concept

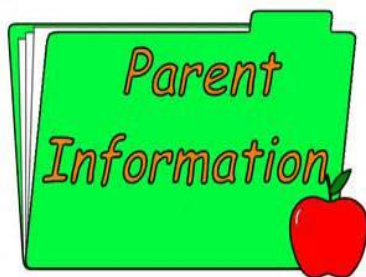

This week we talked all about reptiles. We did a graph about how far we could hop as frogs. We did a compare and contrast spoon and a sand shovel. We worked on rote counting by "2"s". We also had science shelf time. We ended the week with a reptile review game.
