### Language Arts:

Let's review the shapes we have learned throughout the year; circle, square, triangle, rectangle, heart, star, oval and rhombus. We will play fun review games and sing songs as we review these fun shapes. We will learn about "Terry the Triangle", "Sammy the Square", and "Cindy the Circle" just to name a few! We will also explore picture files of Springtime weather.

### Concept

Shapes and Spring are the themes for this week. The kids will enjoy group activities such as "Shape Sorting" and "Shape Matching". We will also review by using a flower pot with flowers.

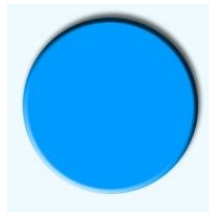

### Craft and Writing:

Our creative class will enjoy making "shapetastic" masterpieces of art throughout this week. We will explore sponge painting and collaging as we create some fun and colorful shapes!

We will also focus on some Springtime projects throughout the week.

### Motor:

This week the kids will be reviewing all of our learned shapes! The children will have fun with exciting shape games like "Shape Toss", and "Shape Relay".
