

# Nursery News

Weeks 37 & 38 May 2nd-6th, and May 9th-13th, 2022  
Theme: Creepy Crawlers

## Language Arts:

Let's get ready to flutter into a fun filled week as we discover and learn about a variety of interesting insects. Can you make music like a cicada? This week we will enjoy creating rhythms as we learn about bug sounds. We will take turns using special instruments as we sing to songs about bugs. Our class will also learn a few new flannel board stories about bugs that crawl, fly, jump, and blink.

## Motor:

The children will enjoy pretending to be creepy crawlers as they race through the tunnel and zig zag walk! They will continue practicing their side-to-side jumping through an insect hula hoop trail. If the weather permits, they will have a creepy crawlers scavenger hunt outside!

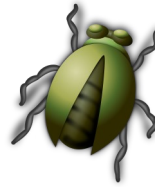

## Concept:

Creepy crawlers is our theme for the next two weeks! There are so many little bug friends to learn about. We will explore them through group activities such as insect sorting, matching,

caterpillar seriation, and counting fireflies. We will get our hands exploring with pretend bug friends in our sensory bins.

## Craft and Writing

Buzz, buzz, buzz... Beautiful work in progress! Our busy little bugs will enjoy working on special art projects for this theme. Our class will be creating fun caterpillar s as well as creating other creepy crawlers.
