

Pre-K Press

Weeks 37 & 38 May 2nd-6th and May 9-13, 2022
Theme: Insects and Gardens

Language Arts:

1, 2, 3 there's a bug on me!
Where did it go? I don't know!
We will look at different pictures of insects and have a class discussion.
The children will enjoy stories and finger plays to go along with our theme.
Stories 1-5 will be reviewed.

Motor:

Oh Mr. Sun, Sun, Mr. Golden Sun, please shine down on us! If the weather permits, we will be outside as much as possible. Please have the children dress appropriately for outside play.

Concept

Green ones, yellow ones, spotted bugs, and multi-legged bugs!
The children will show off their skills by sorting bugs by color, size, and type. We will continue working on counting by 5's & 10's.

Craft and Writing:

The children have worked so hard this year printing their name and you should be very proud! We will have some fun insect projects to work on as well as coloring sheets of insects. The children will also continue working on their individualized alphabet books.

Happy Mother's Day!
