

Toddler Times

Weeks 35 & 36 April 18th-22nd and 25th-29th, 2022
Theme: Farm & Earth Day

Language Arts:

Cows on the farm go "Moo, moo, moo!" This week our class will explore the topic of farm and learn about the many barnyard animals. We will discuss what farm animals eat and learn about the sounds that they make. As we discover this theme, we will learn exciting flannel board stories and finger plays.

Concept

Help me count the barnyard animals that live on Old Mac Donald's farm. We will sort our farm animals by size and learn how to make groups of the same animal. We will help our farm animals get clean

in our water table.

Craft and Writing:

We will be celebrating Earth Day. We will be decorating a very special Earth Day craft. We will also create "farmtastic" works of art throughout the week.

Motor:

Let's get moving like our barnyard friends. Can you oink like a pig or quack like a duck? We're going to play a down on the farm action and movement activity. This will help us learn about how the animals move and get our bodies moving.
