Language Arts:

The butterflies in the air go flutter, flutter, flutter all through the sky! Over the next two weeks our little scientists will examine and discover a variety of bugs. We will discover that bugs can fly, crawl, or jump through nature. We will enjoy many songs about bugs and use our instruments to shake up some fun learning.

Concept

Calling all scientists, I will need your help to match the colored caterpillar to the correct butterfly. We will count the bees in the beehive using our fingers. Also, during the next two weeks we will discuss different types of bugs.

Craft and Writing:

Let's get creative as we paint using fly swatters. We will also use water coloring to paint some creepy crawlers.

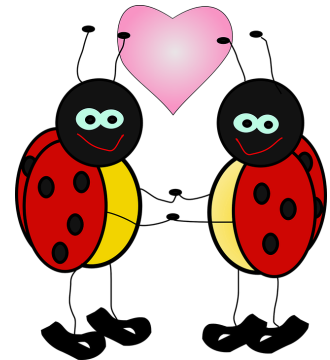

Motor:

Buzz, buzz! Flutter, flutter! Get ready to pretend to be creepy crawlers as we play an action bug game. We will explore the tunnel and pretend to be caterpillars as we crawl our way through!

Review:

Everything we have learned so far.

NOTES TO PARENTS:

- HAVE YOU REGISTERED YET?
THE SUMMER ACTIVITY FEE IS \$30.00 AND THE FALL REGISTRATION FEE IS \$100.00 SINGLE CHILD \$150.00 FOR A FAMILY. IF YOU WISH TO ATTEND PLEASE RETURN THE FORMS AND FEES TO THE OFFICE.

Have a Fun Two
Weeks,
Mrs. Lauren
& Ms. Morgan
