**Language Arts:** Welcome to the Kindergarten Room! As we adjust to a new school year, we will be focusing on our classroom expectations and routines. Students will have a scavenger hunt to explore the classroom and new materials. We will also be focused on the letters A, B,C, and D. Printing letters and learning the phonetic sounds will be part of our daily activities and review. To activate the students prior knowledge, we will reintroduce six Bold Beginning reading stories. If one of these stories come home with your child, they have successfully read it in class. Please have them read it to you for extra practice and return back to school.

**Craft and Writing:** Our class will be using their fine motor skills over the next two weeks and practicing our cutting and gluing skills. Our artwork will be related to our popular storybooks "The Kissing Hand", and "Chicka, Chicka, Boom, Boom!"

**Concept:** The children will be learning a lot during calendar time. Making patterns, counting, place value, and of course our weather and seasons will be discussed. We will also focus on numbers; 0-4

**Notes to Parents:** Welcome to our 2022-23 school year! We are so excited to grow and learn this year. Parents, please be sure to label any extra clothes in backpacks. Remember to bring in your school supplies and a picture for our Birthday wall!
