Colors: Red, Blue, Yellow, Green, White, Orange, Black, Brown, Purple, Pink, and Gray

Letters: Aa and Bb, Cc, and Dd

Vocabulary Words:

Articulate: To speak in a clear effective way

Considerate: Thoughtful of other people and their feelings

Bits of Intelligence: Sea Creatures

Language Arts: Welcome to the Pre-K Room! We are so excited to meet each and every one of you! Our class will be busy learning new songs, reviewing letters, colors, and discussing vocabulary words. Our phonics board will help us learn our phonetic sounds for each new letter introduced.

Craft and Writing: We are going to be working on our readiness papers to help reinforce our letters Aa, Bb, Cc, and Dd. Also, the children will be introduced to all of the colors over the next two weeks. A few art projects throughout the week will help us get to know each other.

Concept: Our class will be introduced to many new activities over the next two weeks, and we will focus on graphing. Our class will graph their favorite color, learn about the calendar, weather, and focus on concept jobs.

Motor: The start of the new school year will be used to focus on reviewing our playground safety and rules while we are outside.

Notes to Parents: Welcome to our 2022-23 school year! We are so excited to grow and learn this year. Parents, please be sure to label any extra clothes and naptime blankets. Remember to bring in your school supplies and a picture for our Birthday wall!
