Fable #1 and #2

Vocabulary Words-

Lively: Full of life, energy

Marvelous: Causing wonder

Glorious: Full of grand beauty

Star Students:
Jaxson P. and
Kinsley P!

Language Arts: Fall is here! Autumn leaves are falling down, orange, yellow, green, and brown! Fall has arrived and we are excited to discuss the changes of this season. As we discover and explore this topic, we will look closely at think links and real life pictures of this season. We will learn fun songs about Fall and use instruments throughout the week. We will look at books, sing songs, and learn new flannel board stories about this marvelous season! We will be introduced to the new letters Ee and Ff and practice our phonics sounds with our "alphabet soup" jars.

Craft and Writing: The new letters Ee and Ff will be in our papers throughout the week. Our class will focus on these new letters and use a variety of materials to create art. We will also explore sensory experiences over the next two weeks.

Concept: Apples, pumpkins, and leaves, oh my! The children will enjoy discovering all the beauty to be witnessed in our new season. We will graph our favorite Autumn activity and Fall colored leaves. Our senses will be heightened when exploring many new sensory bins!

Motor: Raking up the leaves and putting it in the basket, Autumn time is here! The students will enjoy raking leaves and putting the correct number of leaves in corresponding buckets, in addition to an obstacle course that reinforces balance and eye hand coordination. We will continue to enjoy the playground, so please dress your child accordingly.

Notes to Parents:

- **First Day of Fall! 9/23**
- **We will be celebrating Johnny Appleseed Day on Monday, September 26th!**
- **Please like us on Facebook to see exciting things happening at our school!**
- **Parents, please remember to label extra clothes, blankets, and cot sheets.**
- **Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!**
