What's your favorite type of apple?

**Social Studies:** To go along with our topic of safety, we will work on learning our address and phone number.

**Math:** Our math papers will include number bonds and missing numbers. We will introduce the golden beads and our teen numbers and place value.

**Notes to Parents:**

- **Johnny Appleseed Day is Monday, September 26th!**
- **Please remember to check your child's folder everyday! We will be starting our fun projects and homework assignments.**
- **Please keep toys and accessories at home. This becomes a distraction for our class and we don't want these special items to get lost at school. Thank you for your cooperation!**
