Theme:
Fall

Introductions:
Gh and Hh

Bits:
Shapes

Manners:
Eat with your spoon or fork
Talk with an empty mouth

Language:
This week we will introduce the children to the letters Gg and Hh and the phonetic sounds they make. We will also review everything we have learned so far with a game of musical letters and a memory game.

The season of fall will be discussed this week; many books will be read and we will look at pictures of all the seasons to see what the differences are between them. We will also learn a new finger play about falling leaves.

Concept:
During Concept time we will be discussing Fall/Autumn and the changes we can see during this time of the year. We will have new shelf jobs to reinforce our theme and the new letters Gg and Hh. We will also continue to work on our numbers 1-10. The children will be working on estimation of small objects and distance along with greater than and less than. For a science activity we will be going on a nature walk to look at all the fall colors and to collect different types of leaves.

Craft & Writing:

This week we will be working on matching, tracing and printing papers to help review everything we have learned so far. The letters Gg and Hh will be traced and printed along with papers to reinforce our theme of fall. The children will be working on printing their names, cutting skills and fall art projects.

Motor:

This week the children will be working on a new following directions game and we will enjoy the nice weather by having some outside free play. We will also have an obstacle course and we will be practicing our balance and coordination using the balance beam.
