Ms. Riley and Mrs. Ashley

Positively Pre-K

Week 5: September 12th–16th, 2022

Theme: Pets

Introductions:

Vocabulary Words– Quake: To shake or tremble

Procrastinate: To put off or delay doing something

Letters: Ee and Ff

Story #2

Numbers– 3, 4, 5, & 6

Shapes– Circle and Square

Bits of Intelligence– Sea Creatures

Proverb 1– Do unto others as you would have them do unto you.

Manners 3 & 4– Say Please and Say Thank You

Language Arts: The children will be busy learning new fingerplays and listening to many flannel board stories about pets. Our discussions will include different types of pets, as well as caring for them. Please send in a picture of your pet or a pet you would like to have to school this week. The phonics board will also be a hot spot, helping to reinforce our letters and the sounds they make.

Craft and Writing: We will work on readiness papers reinforcing the letters Ee and Ff by printing the letters and working on phonics papers. The children will also have some time to work on their fine motor skills with playdough. We will also work on two fun pet projects.

Concept: In our Concept room, this week will play a game called “Can You Tell Me” which is a game where the children have to guess which item is missing. We will talk about pets and graph our favorite pet. Our class will also be introduced to a pet seriation activity that will be added to our job shelves. During the week children will do various estimation and counting activities. We will also explore our sand bins during concept time.

Motor: This week the children will practice some learned skills on our new obstacle course, as well as trying some new skills. We will also enjoy the game, “Doggie, Doggie Where is Your Bone?”
