**Language Arts:** In these next two weeks, we will discuss our new season which is Fall. The children will enjoy many different stories. What are some things that you see happening to the trees? We will also discuss Johnny Appleseed.

**Craft and Writing:** This week the children will have fun making many different Fall crafts! They will be working on their printing skills. To reinforce our cutting skills, we will work on cutting different shapes.

**Concept:** Fall is in the air and it's the perfect time to talk about Fall and the changing weather. Graphing leaves and counting acorns for the squirrels will help us with our counting skills.

**Motor:** Leaves are everywhere! We are going to enjoy a leaf dance activity. We will also practice throwing and catching a ball and also participate in a relay race.

**Notes to Parents:**

- **First Day of Fall! 9/23**
- **We will be celebrating Johnny Appleseed Day on Monday, September 26th!**
- **Please like us on Facebook to see exciting things happening at our school!**
- **Parents, please remember to label extra clothes, blankets, and cot sheets.**
- **Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!**
