Ms. Riley and Mrs. Ashley

Positively Pre-K

Weeks 8 and 9: October 3rd-7th
and 10th-14th, 2022
Theme: Dinosaurs

**Happy Birthday to
Julianna R. 10/10**

Introductions:
Letters- li and Jj
Shapes- Triangle and Rectangle
Manners- "Wait your turn" and "Do not in-
terrupt"
Bits of Intelligence- Dinosaurs
Vocabulary Words-
Exhaust: Tire or wear out
Dynamic: Having or showing great energy

Language Arts: In Language Arts, we will begin our discussion on dinosaurs; why they are extinct and what some differences are among them. We will learn words like extinct, carnivorous, herbivore, omnivore, and paleontologist. These next two weeks will be filled with songs, flannel board stories, fingerplays about all of the dinosaurs.

Craft and Writing: The children will be working on many theme related papers. Watch out for some cool crafts as our class will be making a fun dinosaur craft!

Concept: Let's head back to prehistoric times and explore the dinosaurs that roamed the land. How big was a dinosaur foot? We will see how many of our child sized feet fit in the dinosaurs foot! Throughout the week, we will continue to introduce various jobs dealing with the numbers 1-10.

Motor: Simon Says it is time to play a review game of our body parts. A path activity will help our class follow directions while they crawl or balance. For eye and hand coordination, we will continue to use the ball and wand.

Notes to Parents:

- **Our school will be closed on Monday, October 10th for a staff training day! Enjoy your weekend.**
- **Please like us on Facebook to see exciting things happening at our school!**
- **Parents, please remember to label extra clothes, blankets, and cot sheets.**
- **Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!**
