The Bell

Language Arts: Our class will be learning fall fingerplays like “Five Little Leaves” as well as some fall songs. One of our featured songs is, “Wings Are Flapping”, and “Leaves on the Move”.

Craft and Writing: Let’s learn about yellow and green as we finger-paint using these exciting colors! We will have fun creating a Fall craft as well.

Concept: Help me count the autumn leaves as we pick them up and put them in the basket. Our class will also be introduced to the colors yellow and green on our job shelves. We will enjoy working on some fun color sorting for the next two weeks! Our class will also be busy exploring our new Fall sensory bins.

Motor: Can you bend and stretch like a scarecrow? Let’s wiggle around and pretend to scare the crows away! We will also explore the rocking boat, practice going up and down the stairs, and crawling through our tunnel.

Notes to Parents:

- **First Day of Fall! 9/23**
- **We will be celebrating Johnny Appleseed Day on Monday, September 26th!**
- **Please like us on Facebook to see exciting things happening at our school!**
- **Parents, please remember to label extra clothes, blankets, and cot sheets.**
- **Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!**
