danger or bad result**

Star Students:
**Jakub B. and
Kyleigh B!**

**Happy
Birthday to**
**Kyleigh B. 10/20!
Jakub B. 10/28!**

Language Arts: Throughout the next two weeks, our class will be discussing the importance of staying safe at school and at home. We will also celebrate Halloween with many fun language activities and active review games. Can you find the color orange and the color black? We will be learning these new colors! We will search for orange pumpkins and black bats while we review what we have learned so far throughout the school year. Ghosts, goblins, witches, and black cats oh my! These spooky characters will be discussed as we learn new songs about Halloween.

Craft and Writing: Our creative little artists will be busy collaging orange pumpkins and black bats during our Halloween celebration. We will continue to practice tracing our names and letters. Please encourage your child at home and be sure to practice these skills!

Concept: Concept time will be filled with activities to help us learn about safety. We will also compare and contrast firefighters and police officers and their jobs when talking about safety. Halloween is just around the corner and will be counting eyeballs, spiders, and skeletons.

Motor: "Stop, Drop, and Roll!" The children will practice what to do in case of a fire. There will be opportunities to work on hand eye coordination and balance. We will continue to go outside weather permitting. Please send your child with hats and gloves. Thank you!

Notes to Parents:

- Halloween Party and Trunk or Treat will be on Monday, October 31st! All children are invited to attend from 9-12 if it isn't a scheduled day for your child.
- Please like us on Facebook to see exciting things happening at our school!
- Parents, please remember to label extra clothes, blankets, and cot sheets.
- Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!
