Joyful Juniors

Weeks 8 and 9: October 3rd-7th
and
October 10th-14th, 2022
Theme: Pets
Introductions:
Letters– Ee and Ff
Story #1 Run Taffy Apple
Fable #2

**Star Students:
Carter A. and Mora B!**

Language Arts: "Woof, meow, tweet!" Over the next two weeks, our class will be discussing a class favorite topic which is all about pets. We will learn about a variety of animals such as dogs, cats, hamsters, birds, turtles, fish, and rabbits. We will look closely at picture files and discuss which pet is our favorite. We will learn songs, read books, and enjoy many puppet activities that include our favorite pets.

Craft and Writing: Our papers this week will focus on the new letters Ee and Ff. We will be busy collaging these letters and learning the phonetic sounds. We will also work hard to create different art projects involving pets in the next two weeks. Our goldfish handprints are going to be adorable! We will also focus on our fine motor skills as we build with playdough and discover shaving cream.

Concept: Dogs, cats, and fish, oh my! The students will be graphing their favorite pets! We will compare different types of pets as well as look at animal care objects.

Motor: The children will enjoy playing pet charades! They will each get a turn to pick out an animal card, allowing their friends to call out the pet they were pretending to be. Please pack light jackets and sweaters as we enjoy the seasonal changes outside on the playground!

Notes to Parents:
- Our school will be closed on Monday, October 10th for a staff training day! Enjoy your weekend.
- Please like us on Facebook to see exciting things happening at our school!
- Parents, please remember to label extra clothes, blankets, and cot sheets.
- Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!
