Story #3 Missy Manners

<u>Language Arts:</u> **In the next couple of weeks, will be discussing fire safety and stranger danger. We will discuss safety issues such as buckling our seatbelts and dialing 9-1-1 for emergencies. This would be a great time to work with your children on knowing his/her phone number, address, and family fire plan in case of a fire at your home.**

<u>Craft and Writing:</u> **The children will enjoy working on a few art projects throughout the next two weeks that are Halloween and safety themed. We have been working hard on our name papers since the start of the school year. Please practice with our child at home also! Remember to use a capital letter for the first letter and lower case for the rest of their name.**

<u>Concept:</u> **Our class will be working on estimating and rote counting activities to reinforce numbers up to the number 10.**

<u>Motor:</u> **"Stop, drop, and roll!" will be practiced over the next two weeks. The color ladder will be introduced where our class will practice their listening skills.**

<u>Notes to Parents:</u>
- **Picture Days will be held on 10/17 and 10/18!**
- **The Fire department will have a fire safety presentation for the Pre-K and Kindergarten children on 10/18 in the morning!**
- **Halloween Party and Trunk or Treat will be on Monday, October 31st! All children are invited to attend from 9-12 if it isn't a scheduled day for your child.**
- **Please like us on Facebook to see exciting things happening at our school!**
- **Parents, please remember to label extra clothes, blankets, and cot sheets.**
