Language Arts: Ghosts, goblins, and jack o' lanterns oh my! We will learn about the "Spooktacular" theme of Halloween! Our featured flannel board stories are, "Five Little Pumpkins", and "I'm a Little Spider". We will also explore many fun books and look at a variety of picture files. We will have fun listening to special Halloween songs. We will practice the song called, "Sing a Song of Senses".

Craft and Writing: Let's use our hands to touch and feel finger-paint as we explore the colors orange and black. Our class will also create a special Halloween craft. The children will explore our senses as we will be making touch boxes, "scratch and sniff" names, and rain tubes that will make so many interesting sounds!

Concept: Our class will have fun with our mystery touch boxes as well as participating in a taste test activity.

Motor: Have you ever bowled with a pumpkin? Our class will get a turn to bowl with a pumpkin during our Halloween week. Get ready to shake your little skeleton bones to some spooky Halloween songs. We will also conduct a sensory walk and scavenger hunt!
