Theme: Fun Friends

Introductions:

Numbers- 1 and 2

Review- All that we have learned so far!

Language Arts: Making friendships is very important in our classroom! Throughout the next two weeks, we will be introduced to a few friends like Mickey, Baby Shark, Elmo, and many more. We will enjoy reading books about sharing and how to use good manners with our friends. We will also sing our class favorite song, "Baby Shark" and other fun songs!

Craft and Writing: Our little artists will make some fun friend art projects. We will have fun making a special Elmo project during the week.

Concept: The children will have a ton of fun with Mickey and friends as they do a seriation activity. Also, the children will practice their pouring technique as they play with the water table. The children will also enjoy playing with puzzles.

Motor: The children will have fun as they play a movement game with the action words. We will enjoy a Minnie Mouse bean bag game as we review.
