- **Introduce:** 9, 10 & li, Jj
- **Proverb #2:** Practice makes Perfect
- **Expressive Vocabulary:** participate: *to have or take a part or share in*
discuss: *to talk to others about*

Happy Birthday Canon Olalekan 12/4!

Please send a family picture in to share during class time

Language Arts: The next few weeks will be busy learning poems and about feelings, families, and festivals. We will hear stories like *When I Fell Angry*, *Franklin's Christmas Gift*, and *Five Minutes Peace*.

“Teddy Bears are nice to clutch,
To hold, to love and to touch.
But families are best of all to hug and kiss
When you are real small”.

Concept: We will be talking about our feelings and families as well as the upcoming holidays. I will be adding some Christmas sorting and matching jobs to the shelf. The numbers 9 and 10 and li and Jj will be introduced and added to the shelf. Throughout the week we will be playing a game which the children must differentiate between various sounds.

Craft & Writing: It's beginning to look a lot like Christmas in the Junior room! We will be busy making Christmas projects and working hard on gifts for Moms and Dads. Oh what fun it is to do art in the Junior room at Christmas time!
