Language Arts: For the next two weeks we will be learning about pets; what is important to them and how to take care of them. We would love for everyone to bring a picture of their pet to school. If you do not have a pet you could bring in a picture of one you would like to have some day.

Love your Pets

Love your pets, Love your pets
Love them every day
Give them food and water too
Then let them run and play

Concept: Your little veterinarian will learn about the animal hospital. This week we will include a discussion on mommy and baby pets. I also have several different activities planned this week. I will introduce the concept of weight. The children will be learning the difference between what is heavy and what is light. We will also be talking about whole and half. These next two weeks will be full of pet fun.

Craft & Writing: During the next two weeks we will have a great time making all kinds of "pet" art. We will practice our coloring skills as we learn about same and different. We will also practice our tracing and cutting skills when we use our art bins. This will be a "purrfectly" fun week!
