# **Kindergarten Kaleidoscope**

**Weeks 13 and 14: November 7th-11th  
and  
14th-18th, 2022**  
**Theme: Native Americans, Pilgrims,  
and  
Thanksgiving**

**Introductions:  
C-V-C Words**

**Language Arts:** We will continue practicing printing letters along with working on our phonetic sounds. We will begin to build C-V-C words. C-V-C words are simple words that are spelled with a Consonant- Vowel- Consonant. For example, cat, hat, and bat. We will continue to explore our word families. Word families are words that end in the same sound such as ip and ug are a few we will be working with. As always we will continue reading our Bold Beginning Stories. The students are moving along at their own pace as we read in small groups or pairs. Please continue to practice sight words. A sight word list will be sent home with suggestions on how to help your child learn these important words.

**Math:** The children are enjoying addition and becoming quite proficient with this skill. We will now start concentrating on simple addition and fractions. We will continue our greater than and less than concepts.

**Notes to Parents:**

- We are starting our November reading challenge! Remember to read every day and color a turkey.
- We are going to start our Disguise a Turkey family project! Notes will be sent home.
- Veteran's Day is Friday 11/11. Please wear something patriotic or your best red, white, and blue. Thanks!
- Pow Wow celebrations are going to be 11/21 and 11/22!
- Please remember to check your child's folder everyday! We will be starting our fun projects and homework assignments.
- Please keep toys and accessories at home. This becomes a distraction for our class and we don't want these special items to get lost at school. Thank you for your cooperation!
