Kindergarten Kaleidoscope

**Weeks 16 and 17: November 28th-December 2nd
and December 5th-9th, 2022**

**Theme: Families and Celebrations Around
the World**

Introductions-

Clock by hour and Subtraction

Review-

Compound words and Blends

Language Arts: We will be working on printing the entire alphabet and will continue to work on beginning and ending sounds and short vowels. Our word families will be reviewed in preparation for our upcoming spelling test in January. Our December reading challenge will begin this week!

Math: The students will continue working on fractions and telling time by the hour. Students will continue to count by 5's, 10's, and 2's.

Craft and Writing: We will be working on special parent gifts and holiday crafts over the next few weeks.

Social Studies: We will be discussing the different holiday celebrations held around the world over the next month.

Notes to Parents:

- Please make sure if your child wears boots to school, that you remember to bring a change of shoes and socks for them. Thank you!
- Please remember to check your child's folder everyday! We will be starting our fun projects and homework assignments.
- Please keep toys and accessories at home. This becomes a distraction for our class and we don't want these special items to get lost at school. Thank you for your cooperation!
- Progress reports have gone home! Please be sure to return your child's report card.
