November 2022 Newsletter

Dear Parents,

Thank you so much! "Trunk or Treat" was wonderful; I know the children enjoyed all the decorations and the special treats, all of you made the day so festive and fun.

We would like to wish you a Happy Thanksgiving and a joyous holiday season. We have many more exciting events planned for the children in the months of November and December. This Christmas we will be participating in the Salvation Army's Angel Tree Program. We are asking our families to help support families in need and provide a gift for a child this Christmas. We hope to help as many families as possible. We are asking you to please donate a new unwrapped gift of your choice and age for a little one. A representative from the Salvation Army will be here on December 5th to collect the gifts. Such a special way to teach our children about giving this holiday season.

We will continue all the Covid policies we have in place at least through the holiday season and we will revisit in January.

Please don't forget to sign up for the "Remind me App" it is such a great way to get real time updates and information about what is happening here at school! We still have a way to go before everyone is signed up!

Our preschool program is from 9:00 to 12:00 and our VPK program is from 9:30 to 12:30, it really is important for your children to be on time we hate for them to miss out on the academic portion of their day.

Please remember tuition is due on the first day of attendance in the current week, accounts will automatically be charged a \$10.00 late fee if tuition is not current by Friday.
