Nursery News

Week 17: December 5th-9th, 2022

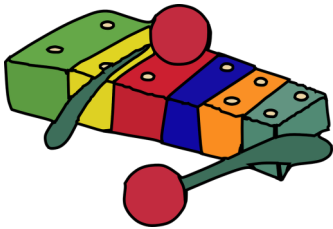

Theme: Musical Instruments

Review-

Letters- Bb

Numbers- 3 and 4

Colors- Purple and Brown

Language Arts: Do you have the music in you? If yes, this is your week! Each day we will highlight an instrument and practice a favorite song to accompany it. One of our featured instruments is the xylophone and we will sing the song, "Baby Shark".

Craft and Writing: We're going to discover the musician Leo Fender when we create our own instruments to share with our families.

Concept: Children will compare the sizes of different instruments and hear the difference in string, wind, and percussion instruments. We will also play a matching game with strings and guitars.

Motor: The children will have a swinging good time when they are introduced to different genres from classical to country music. Their marching feet and listening ears will be put to the test when we put together a marching band! We will march around a play a following directions game!

Notes to Parents:

- **If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!**
- **Please like us on Facebook to see exciting things happening at our school!**
- **Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.**
- **Please remember to check your child's daily sheet to see if he/she needs anything to bring for school and remember to check backpacks often for important paperwork.**
