We will be learning many new songs and finger plays about Native Americans. New stories will be read as we learn how they ate and how they slept. The kids will be introduced to Story #5, the letters Mn and Nn as well as their phonetic sounds. We will review letters Aa-Ll by playing a matching game and musical letters. Show-n-tell will be on Thursday! Please bring in **ONE** item that begins with the letter Mm and **ONE** item that begins with the letter Nn. Both items must fit into a gallon zip lock bag labeled with your child's name.

Concept:
In Concept time we will get busy counting and sorting feathers, estimating how many blocks in a pile and we will be comparing tape vs glue. Our new letters Mm and Nn jobs will be added to our shelves and we will be opening the science area.

Craft & Writing:

This week the children will be working on a visual discrimination paper and a paper to reinforce our color words. We also will be working on tracing and printing our two new letters Mm and Nn and we will continue to work on printing our names. The children will also be using play-doh and they will be working on their cutting skills.

Motor:

This week we will be playing Simon Says, hot potato and will have an obstacle course using the balance beam and tunnel. Weather permitting, we will be going outside.
