Language Arts: Do you hear what I hear? The Pre-K students singing carols so merrily in preparation for the holiday season! We will discuss our families and some of our favorite celebrations! We will enjoy listening to many great stories about different types of families and some seasonal favorites.

Craft and Writing: Our busy little elves are preparing for Christmas! They will be preparing Christmas gifts for our parents and a new art board display. Look for some seasonal art as well as review papers with letters.

Concept: We will enjoy discussing how our families celebrate the holidays! The children will also have some fun with new Christmas jobs that will be added to our concept shelves.

Motor: Indoor paths, yoga, bean bags, and hopscotch oh my! As the weather gets colder, we're finding more creative ways to move around indoors. Please make sure to send your child in a warm coat because we will still go outside weather permitting.

Notes to Parents:

- **Parents, please remember to label extra clothes, blankets, and cot sheets.**
- **Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!**
