Craft and Writing

Our readiness papers will include the numbers 7 and 8. We will practice tracing the numbers 1-6 along with cutting along a curve. Easel painting is sure to bring excitement.

Language Arts

Our discussion this week will focus on other pets, such as frogs, turtles, hamsters, and guinea pigs. Bea Happy will be joining us to help us learn our new manners. A fun listening activity about different animal sounds will keep us entertained.

Thank you to everyone who brought in a pet picture. There is still time to bring one in. No pet? No problem! You may bring in a magazine picture or draw a picture of a pet you would like to have some day.

Motor

we continue to go outside even though the weather is changing, The children love the fresh air and the opportunity to get those wiggles out and use their large muscles. We will practice rolling a ball with a game of bowling. Rolling the activity die with the action words Run and Jump on it will be added to our review.

Concept

Our focus this week will be on our new numbers, 7 and 8. We will sort pictures of pets vs. non-pets along with following bird feather patterns. Our sweet potato plant is beginning to grow tiny roots! Ask your child about it.
