Bits of Intelligence: Birds

Language Arts

Ms. Leah can't wait to teach the children all about families, kindness and Thanksgiving. We will discuss many of the things that families do together. The children will learn new fingerplays for Thanksgiving such as "Mr. Turkey", "5 Little Turkeys" and "Finger Families". Our Pow-Wow parties are sure to be fun as the children trot around the room like turkeys and play Pin the Feather on the Turkey.

Concept

We begin the week with the introductions of numbers 3 & 4. We will practice counting objects such as blocks, people in our families and feathers on a turkey. Ms. Sam has so many turkey themed activities planned. On our party days we will pull out a favorite activity. The children will use turkey basters and shakers to "season" our turkeys in a pan. We will also "cook" up some veggies for our meal. The children will practice how to set a table and after we are done with all of that fun we will (pretend) to wash the dishes.

Craft and Writing

Mrs. Tammi has many fun activities planned for this week. Cutting skills are sure to get a lot of practice as she brings out the play-doh scissors. What is Mrs. Tammi planning for Thanksgiving? She has a few crafty surprises up her sleeve. Turkeys and Thanksgiving crafts will decorate your refrigerator this week!

Motor

We are looking forward to lots of outdoor play before winter comes! Make sure your child is properly dressed for these chilly, fall days. We will play some Thanksgiving games such as a sweet potato roll and a turkey toss.

Reminder

No school Nov. 24th and 25th in observance of the Thanksgiving holiday.
