

# Pre-K Update

**Week 15    November 21-25    Topic: Pow-Wow's**

This will be a short week. On Monday the children will begin to prepare for our Pow Wow's. We will talk about how the Native Americans celebrated the First Thanksgiving with the pilgrims. We will be busy making Native American headdresses and necklaces to wear at our Pow-Wow's.

Tuesday and Wednesday will be our Pow Wow parties. Fun games will be played and we will do some dancing to Native American music. We will also be doing the ribbon dance, as they did long ago. Our day would not be complete without the Juniors pilgrims "sailing" over to share a special snack and sing Thanksgiving songs around our tee pee.

**Reminder: School will be closed November 25<sup>th</sup> and 26<sup>th</sup>.**

The weather is getting colder so please send your children with winter coats, hats and gloves. We go outside every day that the temperature is above 20 degrees with no rain. If there is snow on the ground, we will send a note about when to bring snow pants and snow boots.

**Gobble  
Till you wobble!**

**HAPPY  
THANKSGIVING!**
