2022

Theme: Christmas
Review-
Letters

A VERY MERRY
CHRISTMAS
and Happy New Year!

Language Arts: As we work through the alphabet, we will continue to review and reinforce printing and phonetics of letters. Word families and rhyming words will also be reviewed.

Math: We will continue to review the concepts that have been introduced. We will focus a good amount of time on subtraction and telling time. The children will work on ordinal numbers as well.

Craft and Writing: We will be busy creating a few projects and gifts for Christmas over the next two weeks!

Social Studies: We will continue discussing Christmas Around the World. Look for some fun facts about celebrations from different countries.

Notes to Parents:

- Christmas Spirit week is Monday, December 19th– Friday, December 23rd!
- We are closed on Monday, December 26th for Christmas. Daycare week will be Tuesday, December 27th– 30th. No preschool classes this week! Tuition is due as normal.
- If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!
- Please like us on Facebook to see exciting things happening at our school!
- Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.
- Please remember to check backpacks often for important paperwork.
