Weeks 18 and 19: December 12th-16th and 19th-23rd, 2022

Theme: Christmas
Review-

All that we have learned so far!

**Happy
Birthday, Niam
12/29!**

Language Arts: Ring, ring, ring the bells! Ring them loud and clear, to tell the children everywhere that Christmastime is here! We will be jolly and bright as we get ready to celebrate two joyous weeks of Christmas! We will be discussing Santa and his nine friendly reindeer as well as other Christmas related topics. Our featured flannel board stories are "Five Little Reindeer" and "Do you know The Gingerbread Man?"

Craft and Writing: As Santa's helpers, our class will be creating many fun projects throughout the next two weeks. Our busy little elves will create ornaments and a reindeer craft.

Concept: The children will have a fun time as they play a new review game of putting the ornaments on the Christmas tree. Also, the children will be busy as we discuss the weather changes and the new season of Winter.

Motor: The children will have fun doing motions as they pretend that they are Santa's reindeer. The children will love to play a new Christmas gross motor movement game and dance to some festive Christmas songs to get their bodies up and moving!
